

How to clean suede

Do you know how to clean chamois? Next, I explain how to do it. With these 5 easy steps you can clean your clothes and shoes, they will look like new. Find other clothing care tips [here](#)

Step 1: Brush your clothes and shoes with a suede brush. Always in one direction.

Step 2: Remove stubborn stains by rubbing with a clean eraser.

Step 3: For stubborn stains, apply white vinegar with a soft cloth and rub.

Step 4: Swap out the suede brush for a nail file. Gently rub over the spots.

Step 5: Once clean, protect your clothes and shoes with a special spray for chamois.
